

# AUSTRALIA'S LARGEST SUPPLIER OF POOL COVERS

## INTRODUCING OUR EXPERTS

Daisy is Australia's largest supplier of pool covers and rollers to the commercial industry.

We have been in the pool cover industry for over 30 years.

Our commercial products have the strength and durability required for the harsh climate and conditions that an Australian public swimming pool must withstand.

Our service, expertise and product design and quality produce cost reductions that are multiplied with commercial purchases.
