

FRONT ROW SEATING ROLLER

Stylish, Practical + Energised!

SIMPLY STUNNING

Stylish... Practical... and Energised!

The popular Under Bench Roller (UBR) is a pool roller with a difference combining practicality with style by transforming a roller into useful seating.

Right on trend, the UBR is available in modern aluminium and wood-look colours that will complement any contemporary backyard setting. And ... if you want power, all models can be fitted with a solar powered battery option.

The Daisy Under Bench Roller features:

- Four modern colours: Light Oak, Western Red Cedar, Silver Anodised Aluminium and Charcoal Shimmer
- Full aluminium frame and seating with stainless steel hardware
- Seating planks with a choice of Anodised Aluminium, powder coated Charcoal Shimmer or wood look powder coated aluminium in Light Oak or Western Red Cedar colours
- Power option with solar panel, AC charger, two remotes, tube disengage and mounted control buttons
- Pool cover attachment kit
- 10 year pro rata warranty*
- Custom made to any pool size.

Available now from your local Daisy Expert.

*Scratches and chips not covered. Power model 2 year limited warranty.
